Kindergarten Registration is Now Open for 2021!

School readiness occurs when children have the skills, knowledge, and attitudes necessary for success in primary school, later learning, and life. Physical, cognitive, social, and emotional development are essential ingredients of school readiness. School readiness refers not only to ready children, but to ready communities, families, and schools.

We are ready to enroll your child!
 Please call Lower Campus at
216-263-7008 to begin the
 registration process.

PARENT TO PARENT Conversations About School

When you think of parent involvement, do you picture moms and dads volunteering in classrooms? That’s one way to help – but research shows that supporting your child’s education at home is even more important. Here are conversation starters that will help you stay involved.

- “Let’s see what you worked on today.”
- “Show me what you have for homework.”
- “Describe a book you enjoyed today.”
- “Tell me what you learned that you’d like to know more about.”
